Dr. Ram Manohar Lohia Hospital:		
1. C. Arm Image Intensifier	Non functional since September, 1991. Parts of this imported equipment are not available. local dealers has been approached for parts.	An alternative Image Intensfier of the X-ray department is used
2. Ultrasound Machine	Non functional since December, 1993. The procurement action for replacement of one transdurer is in progress.	The work is being done on the other machine.
3. DSA System	Non functional since September, 1992. Parts of this equipment are not available in India. Correspondence has been made in this regard to procure parts.	The engiography in DSA system are now performed on the conventional system.
4. Argon Laser Photo Coagulation—900;	Non functional since November, 1990. The procurement process of Argon laser Tube for getting it imported is in progress.	Patients requiring this services are referred to other Government hospitals having this facility.
5. CUSA Machine	Non-functional since, 1991. The procurement process for imported parts of this machine is in process.	Out of three functions that the machine performs only one function namely 'Vibration' is not working.
Lady Harding Medical College & Associated Hospitals:		
1. Toches—cardiograph	Non functional since 1991. Steps have been taken to get it repaired.	Patient care is not affected
	NOTE: Machine which are very old and unserviceable are in the process of being condemned.	

Dental clinics in certain colonies of Delhi

2350. PROF. VIJAY KUMAR MAL HOTRA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether there is any proposal under Goveiranent's consideration to establish dental units @ one each in Government colonies in Delhi' like R. K. Puram, Moti Bagh to provide dental care at the door steps of the employees;

(b) if so, the details thereof; and

(c) if not, the reasons therefor?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRI B. SHANKARANAND): (a) No, Sir.

(b) Does not arise.

(c) Dental treatment facility is available in several hospitals located in different parts of the city.
